What is Short Term Disability insurance?

Short Term Disability (STD) insurance may help you replace a portion of your income during the initial weeks of a Disability.

Eligibility Requirements

Short Term Disability: All active full-time employees working at least 24 hours per week are eligible to participate.

How is “Disability” defined under your Plan?

Generally, you are considered disabled and eligible for short term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance/Summary Plan Description provided by your Employer or contact your MetLife benefits administrator with any questions.

What is the benefit amount?

Short Term Disability:

The Short Term Disability benefit may help replace a portion of your predisability earnings, less the income that was actually paid to you during the same Disability from other sources¹ (e.g., state disability benefits, no-fault auto laws, sick pay, vacation pay, etc.).

The Benefit amount is 60% of your predisability weekly earnings.

Special Considerations

If you work in a state with state-mandated disability or paid medical leave benefits (“State Benefits”), you should carefully consider whether to enroll for this coverage. In California, Hawaii, Massachusetts, New Jersey, New York, Puerto Rico, Rhode Island, Washington (and Connecticut starting 1/1/22, Oregon starting 1/1/23, and Colorado starting 1/1/24), if eligible, you must apply for State Benefits. Your STD benefit will be reduced by State Benefits or other government benefits that apply. Depending on your compensation, the amount of the State Benefit, and other factors, you may only receive the minimum weekly benefit. Please consider, based on your individual circumstances, whether you need additional coverage beyond the State Benefit.

When do benefits begin and how long do they continue?

Short Term Disability:

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. The elimination periods are/is as follows:

For Injury: 7 days.

For Sickness (includes pregnancy): 7 days.

Benefits continue for as long as you are disabled up to a maximum duration of 180 days of Disability.

Your plan's maximum benefit period and any specific limitations are described in the Certificate of Insurance/Summary Plan Description provided by your Employer.

Q. Are there any exclusions to my coverage?

A. Yes. Your plan does not cover any Disability which results from or is caused or contributed to by:

- Elective treatment or procedures, such as cosmetic surgery, , reversal of sterilization, liposuction, visual correction surgery, in-vitro fertilization, embryo transfer procedure, artificial insemination or other specific procedures.
However, pregnancies and complications from any of these procedures will be treated as a sickness.
- War, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;
- Active participation in a riot;
- Intentionally self-inflicted injury or attempted suicide;
- Commission of or attempt to commit a felony.

Like most insurance policies, insurance policies offered by MetLife and its affiliates contain certain exclusions, exceptions, waiting periods, reductions, limitations, and terms for keeping them in force. Please contact MetLife or your plan administrator for complete details.

The "Plan Benefits" provides only a brief overview of the STD plan. A more complete description of the benefits provisions, conditions, limitations, and exclusions will be included in the Certificate of Insurance/Summary Plan Description. If any discrepancies exist between this information and the legal plan documents, the legal plan documents will govern.

Short Term Disability ("STD") coverage is provided under a group insurance policy issued to your employer by MetLife. This STD coverage terminates when your employment ceases, when you cease to be an eligible employee, when your STD contributions cease (if applicable) or upon termination of the group contract by your employer. Like most group insurance policies, MetLife's group policies contain certain exclusions, exceptions, elimination periods, reductions, limitations and terms for keeping them in force. State variations may apply.

*Changes have been made to your Plan as of the Amendment Effective Date listed above. Please refer to your Certificate of Insurance/Certificate Rider for more details or contact your benefits administrator with any questions.
